LPSC Docket No. U-27289**

Dear Mr. St. Blanc:

This certification is provided pursuant to 47 C.F.R. §§ 54.313 and 54.314. On behalf of NPCR, Inc. d/b/a Nextel Partners (the "Company"), I hereby certify under penalty of perjury that all high-cost universal service support provided to the Company for the 2005 calendar year will be used only for the provision, maintenance and upgrading of facilities and services for which the support is intended, pursuant to Section 254(e) of the Telecommunications Act of 1996.

The Louisiana Public Service Commission ("LPSC") issued Order No. U-27289 on June 29, 2004 designating the Company an eligible telecommunications carrier ("ETC") in the State of Louisiana. The LPSC further certified to the FCC and USAC on June 29, 2004 the Company's eligibility to receive certain high cost universal service support for the fourth quarter of 2004. The Company's eligibility to receive such support for the 2005 calendar year is dependent upon the LPSC providing re-certification of the Company's eligibility to the FCC and USAC on or before October 1, 2004. See 47 C.F.R. §§ 54.313(d)(3)(i) and 54.314(d). Accordingly, the Company hereby requests that the LPSC transmit a letter to the FCC and USAC to provide for the certification. The letter will need to be received by the FCC and USAC on or before October 1, 2004 to be effective.

Thank you for your assistance in this matter. Should you have any questions, please do not hesitate to contact me at (425) 576-3600.
